**Limited Time Offer - \$500.00 for 5 keyword phrases and web sites under same hosting plan optimized for Google and Yahoo Top 10 search engine results.** Our mutual understanding is that I will optimize up to 5 keyword phrases as individual web sites (www.mykeywordphrase.com) that will be hosted on Aplus.net under a single hosting plan that will cost you \$9.95 a month or \$7.45 if paid annually. Domain registrations will cost you \$9.99 a year. Hosting and domain can be canceled at any time, but these fees are not refundable. I will guarantee you top 10 search results with Google and or Yahoo on at least one keyword phrase within in the first 90 days. Search results start taking place in 4 to 6 weeks. If you are not satisfied with my work, then I will refund the money you have paid me after I remove my work from your web site or sites.

Keyword Phrase 5

The search engines (Google and Yahoo) will likely take 4 to 6 weeks for the above keyword phrase or phrases to achieve a top 10 ranking. If I fail to achieve a top 10 ranking within that time then you can email and or write me to cancel my services, and I will refund all money you have paid me (except hosting & registration fees) for web design and or optimization after I have removed my work product from your web site. This written guarantee is good for 90 days. Additional work is subject to price increases predicated on market demand for my services under a new understanding.
