Limited Time Offer - \$500.00 for 5 keyword phrases and web pages under one year hosting plan optimized for Google and Yahoo Top 10 search engine results. Our mutual understanding is that you will pay me an up front fee of \$250.00 made out to Louis A. Jennings. Jr. as a down payment for services to optimize up to 5 keyword phrases as individual web pages (www.mykeywordphrase.com/keywordphrase) that will be hosted on the web hosting plan of your choice. If you do not have a web site or you want to create a new web site for this optimization, I will host it for free under my hosting plan for 1 year, but you will be required to pay for the URL domain name Web address, which will be yours to keep. A URL can be purchased for an annual cost of about \$10, based on the service you use. Hosting and HRL domain names can be canceled at any time, but the annual fees are not refundable. I will guarantee you top 10 search results with Google and or Yahoo on at least one keyword phrase within in the first 90 to 120 days. Search results start taking place in 4 to 6 weeks. Once I get you into the top 10 of Google and Yahoo, you agree to pay me the final \$250. If you do not get top 10 placement within the above time frame, then I will refund the money your \$250 you have paid me after I remove my work from your web site or sites. My work will revert to your ownership once you pay me the total \$500 fee; otherwise it will remain my intellectual property and may not be used without my express written consent.
